

ASX RELEASE

10 October 2006

**EXCELLENCE IN MINING AND EXPLORATION
CONFERENCE 2006 PRESENTATION**

Vulcan Resources Limited ("Vulcan") (ASX: VCN) is pleased to announce that Managing Director, Alistair Cowden, today delivered a company presentation at the Excellence in Mining and Exploration Conference 2006 being held at Hilton Hotel, Sydney.

The attached presentation highlights Vulcan's development of a copper-cobalt underground mine in the mining friendly EU country of Finland. Vulcan's mine is located 24 kilometres from the copper camp at Outokumpu in Finland which produced over 2 billion pounds of copper in the past.

The presentation will also be available on the Company's website www.vulcanresources.com.au.
